The PSOB Program provides a onetime financial benefit to the eligible survivors of public safety officers and police and fire chaplains whose deaths are the direct proximate result of a traumatic injury sustained in the line of duty. This act also provides the same benefit to a public safety officer who has been permanently and totally disabled as the direct result of a catastrophic personal injury sustained in the line of duty. The benefit has been adjusted each year on October 1, to reflect the percentage change in the Consumer Price Index: the current benefit is \$283,385 (effective 10/1/05).

This benefit is not subject to execution or attachment by creditors. Further, the IRS has ruled that it is not subject to federal income tax.

The HOMETOWN HEROES SURVIVORS BENEFITS ACT amends and expands the PSOB program.
